Weber Fire District Headquarters - 2023 W 1300 N, Farr West, UT - (801) 782-3580 - www.weberfiredistrict.com

The three types of burning are:
Open, Agricultural, & Recreational

SPRING OPEN BURN: March 30 - May 30, 2026

Tentative and subject to change

OPEN BURNING (UAC R307-202)

- A clearing index of **500** or greater.
(Airshed 5/6, must be checked each day you burn).
- A **DAQ Permit** must be obtained and onsite.
- Burn in small piles.
(3' diameter X 2' high)
- Attended constantly by a responsible adult (18+).
- Burning 50' from any structure.
- Method of extinguishment on site.
(A water source, fire extinguisher (4A), shovels, and/or buckets).
- **NO burning of waste material**, trash, or material that may cause severe pollution.
- The use of accelerants is prohibited!
(**NO** gasoline, kerosene, lacquer, or other petroleum products).

Open burning is regulated by the Utah Division of Air Quality (DAQ). There are statewide rules in place that regulate open burn activities to help minimize emissions and ensures that the National Ambient Air Quality Standards (NAAQS) are met. Modifications to burning rules occurred in 2013 and were issued by the Utah State Division of Air Quality (DAQ). These changes include a statewide requirement to obtain a Utah Division of Air Quality's online Burn Permit Application.

AGRICULTURAL BURNING (USC 11-7-1(2) / 59-2-503)

- Have land zoned as agricultural.
- Have land over 5 acres **AND** used for any of the following:
 - Farming and crop production.
 - Livestock grazing.
 - Ditch banks associated with farmland or crop production.
- **You NEED a permit! - June 1 - October 31**
 - Check the flow chart on our website for info. or call 801-782-3580* (M-Th.)
