Message to Uintah citizens from the Mayor:

### Continuation of Firework Ban

Following careful consultation with our Fire Chief and a thorough assessment of local conditions, the City of Uintah is official continuing the firework ban through July 25.

I recognize that this decision may be disappointing for residents who enjoy celebrating with fireworks. However, public safety remains our absolute top priority. Given the current dry conditions throughout our area and the strain on regional emergency resources, as recently demonstrated by the fires in Roy and Ogden, the risks to life and property are simply too high.

We extend our sincere appreciation to the members of our community who are actively complying with the ban to protect our neighborhoods.

### Important Contact Information:

- To report non-emergency violations or concerns: Please contact Weber Dispatch at (801)395-8221.
- For immediate emergencies: Call 911 if there is an imminent danger, an active fire, or a threat to life.

Thank you for your cooperation and dedication to keeping Uintah safe.

Sincerely,  
Mayor Kristi Bell
