WEBER FIRE DISTRICT

APPROVED PEER REVIEW AGENCIES

In accordance with Section 104.8.2 of the International Fire Code, Weber Fire District may require a “technical opinion and report” (peer review) of all plans for the installation or modification of the following:

- Automatic fire protection systems.
- Fire alarm and detection systems and related equipment.
- Fire pumps, associated fuel tanks, jockey pumps, controllers, and related equipment.
- Standpipe systems, including installation, modification, or removal from service.

The following companies and individuals have been approved by Weber Fire District to conduct third-party plan reviews. If you choose to work with someone not on this list, they must first be approved by the Fire Marshal’s Office.

(Approved reviewers are listed in alphabetical order.)
