FALL OPEN BURN: Sept. 15 - Oct. 30, 2025 *Tentative and subject to change*

Open burning is regulated by the Utah Division of Air Quality (DAQ). There are statewide rules in place that regulate open burn activities to help minimize emissions and ensures that the National Ambient Air Quality Standards (NAAQS) are met. Modifications to burning rules occurred in 2013 and were issued by the Utah State Division of Air Quality (DAQ). These changes include a statewide requirement to obtain a Utah Division of Air Quality's online Burn Permit Application.

AGRICULTURAL BURNING (USC 11-7-1(2) / 59-2-503)

- Have land **zoned** as agricultural.
- Have **cultivated** land over 5 acres **AND** **used** for:
 - Livestock grazing.
 - Farming and crop production.
 - Ditch banks associated with farmland or crop production.
- You **NEED** a permit! - See FFSL Permit app on our website.

RECREATIONAL BURNING

- Devices for the primary purpose of preparing food.
- Campfires & fires used solely for recreational purposes where such fires are under control:
 - Approved fire rings; firepits (3' diameter).
 - Attended by a responsible adult (18+).
 - Clear area, 25' from any structure or combustible materials.
 - Only clean, dry wood, or charcoal **NO** waste or trash.
 - Method of extinguishment available.
